Remarkable Ranch w/Walkout Basement! 3 Bedrooms (3rd bedroom is being used as office), 2 full baths, completely open floor plan. Cathedral ceilings with skylight and recessed lights. Have breakfast at the island bar (w/bar stools) in your updated kitchen featuring wood extended cabinets with granite counters, stainless steel appliances. Large Great Room and Dining Room that overlook the deck and private (wooded) backyard. Partially finished basement with kitchen cabinets and wall partitions (plumbed for full bathroom). Extensive landscaping with large boulders, brick paver walkways and patio. This ranch is a MUST SEE and won't last long on this private cul-de-sac. BATVAI
